The Perils of Perfectionism

(And Ways to Make it Better)

Perfectionism is an occupational hazard of giftedness, and its effect can be truly debilitating. Learn what perfectionism looks like in gifted kids, and come away with a toolbox full of big ideas and strategies for turning this terrible master into a compliant servant.

Tuesday, October 20

Fairview High School Auditorium

7pm - Reserve Seats at BVGT.org

Lisa Van Gemert

Known as the Gifted Guru and the Ambassador of the gifted, Lisa shares best practices in educating and parenting the gifted. She's learned that GT stands for "Good Teaching" and "Good Thinking" as much as "Gifted and Talented."
