

You're invited to the **Family Institute** as part of the 2020 Colorado Association for Gifted and Talented Virtual Conference: *Through Their Eyes: A Wider Lens of Gifted* this October 19th-20th.

The **Family Institute** is designed specifically for parents, guardians, grandparents and any adult who plays an integral role in raising their gifted children. During the event, our presenters will share their

expertise about how to support the unique academic and social-emotional needs of these children when at home.

We're excited to announce that the **Family Institute**, like the CAGT Conference, will be going virtual this year, which means that we'll be offering the same high-quality experience you've come to expect from our events, except it will all be online for you to enjoy from the comfort of your home! The **Family Institute** takes place on Monday, October 19th from 5:30 pm to 9:00 pm. Register at www.coloradogifted.org. Once registered, you will receive more information to access this event. The deadline to register is Thursday, October 15th.

This year, our internationally-renowned keynote speakers for the **Family Institute** are Richard Cash, Ed.D. and Julie Skolnick, M.A., J.D.

There will be an opening session with pertinent information from our CAGT representatives, followed by our keynote speakers and a breakout session with choices of relevant topics to fit your families' needs. There also will be optional networking opportunities before and after the presentations.
