RSVP: Email your name and preferred email address to jlucchesi@bvgt.org by Sept. 27th.

Sign up in MyPassport (course #18551) for instructional seat time credit.

Gifted and advanced learners have the right to learn something new in class everyday. These students have particular, challenging academic needs that *can* be met through thoughtful differentiation. In this presentation, you will learn the basics of gifted student academic needs as well as some advanced differentiation tools and techniques that can work at any level and in any subject area. Let's keep our gifted students motivated, engaged, and learning!
